I am very glad to share my thoughts about my school. My school has provided me a very enhanced and efficient platform for the exposure to the talents within me. Me and my friends will share each other's thoughts, experiences and will have lots of fun.

The main thing I cannot forget, are the days of my success. All this is because of excellent teachers who nurtured me and gave me an opportunity to define me. I enjoyed each and every minute of my golden school life.

According to me our DIVINE is like a beehive where DIVINETES learnt to live together and we all collected the nectar by our teacher's guidance and there is then i.e. our Principal Mrs. Manjula Jagadeesh ma'am, who is the support and strength to every one at school.

I am very proud to be a part of DIVINE.
